# Sterisol SOFT Skin Creme

## Properties

---

SOFT is the optimal choice for dry and sensitive skin. It is suitable for the entire body and has strong refatting and rehydrating properties.

- No colorants
- No parfum
- Content of fat ca 20%
- pH approx 5-7

## Fields of application

---

SOFT is a unique skin cream for people who want to keep their skin healthy while minimizing the risk of allergy and hand eczema. It is the perfect choice of emollient for the healthcare and food sectors, among others, where cosmetic allergens are to be avoided. Must be used with dispenser, otherwise leakage may occur.
