

**characteristics Labsit 4, sit-stop-castors, foot ring, 3D-flex.**

Article: 9125 fabric

Dimensions in mm	Backrest:	H:	420
	Seat:	H:	560-810
		B:	450
		T:	420
Packing data	Weight	kg	9,8
	Volume	m <sup>3</sup>	0,19

Base equipment		Benefit
Handling	Practical handle on backrest. Extremely lightweight. Compact size.	Ensures maximal mobility and ease of use.
Ergonomics	Easy adjustment for user or workplace situation with single lever.	Intuitive handling. With its flexing functions Labsit adjusts automatically. No need for complicated tilt adjustments.
Backrest	Synthetic Backrest with 3D-Flex function.	The backrest adapts to the movements of the user and therefore follows the upper body when leaning back or turning sideways. This ensures a dynamic seating position and provides optimal support for the body in any position. Intuitive and automatic.
Seat	Flex function at front edge of seat.	The front edge of the seat automatically follows the forward-angled working position of the body. This ensures optimal blood circulation and effectively prevents pressure pain.
Seat Shell	Five colours to choose from: blue (3277), anthracite (3285), orange (3279), green (3280) and white (3403)	Attractive design. Improves the ambience of the workplace and employee satisfaction.
Upholstered Seat	Lucia fabric: Fire protection according to EN 1021 Part 1 + 2 Colour: Black.	Fabric covers are particularly well-suited to clean environments. They are breathable and can absorb and release moisture. The ultra-soft surface ensures maximum seating comfort, even when sitting for long periods. The Duotec fabric is hard-wearing and can be cleaned with commercially available upholstery cleaning agents.
Seat Height	Seat height infinitely adjustable between 560 - 810 mm.	Large variability of seat height adjustment.
5-Star Base	Sturdy polyamide base Optional: Aluminium base	Very sturdy, durable and stable. High quality. Attractive design.
Foot Ring	Height adjustable, chromium-plated foot ring.	Wide foot plate provides good support. Height can be quickly and easily adjusted.
Castors/Glides	Soft Stop & Go-castors for hard floors	Offer a superb level of stability. Blocks the chair when seated. Easily movable when there is no pressure on the chair.
