

Subject: Declaration REACH compliance

June 2012

Dear Customer,

based on information received from our suppliers, we hereby confirm that all the substances contained in our products have been pre-registered as Regulation 1907/2006/EC concerns.

Based on current and available information, we hereby declare that none of the substances listed in the Candidate List of Substances of Very High Concern (published by the European Chemical Agency on 28th October 2008 and subsequently amended on 18th of June 2012) are in a concentration $\geq 0.1\%$ in the products we supply.

Since the presence of such substances could not be expected under normal conditions, the absence has not been checked by analysis.

We remain at your disposal should further information required.

Best regards
ppa. Wolfgang Thomas
